

Regent's Park

Square Feet: _____

Monthly Rent: _____

The Chelsea

The Chelsea is a wonderful, open one-bedroom floorplan. A tiled entryway leads into the enormous living room. Turn the corner, and you're in the light-filled dining area which then leads to your deck. The kitchen features a pass-through design to make serving easy. Just outside the door of the large bedroom is your full bath. The Chelsea even offers the convenience of a full-sized laundry room.
